SILANOS
QUALITY MADE EASY

Warewash

Our VS P57-42N has a 57x62 basket and hence can wash glasses, dishes, trays and small pots, as it has a useful height of 420mm.

A powerful and reliable machine in all situations, even with the most encrusted dirt.

A new, more durable door eliminates rods noise as they are replaced with 2.5-mm thick steel crescent arms .
